

Approved For Release 2004/11/30 : CIA-RDP68R00530A000200120005-8

CENTRAL INTELLIGENCE AGENCY

WASHINGTON 25, D. C.

OFFICE OF
THE DEPUTY DIRECTOR FOR SCIENCE AND TECHNOLOGY

30 November 1965

Misc-6

25X1

[Redacted]

Director of Research
IBM Computer Center
Yorktown Heights, New York

25X1

[Redacted]

The ALP System passed its acceptance tests and was approved for operation as of 18 October 1965. The degree by which the System surpassed acceptance thresholds is a real tribute to the skills and effort of the personnel involved.

25X1

CIA is especially appreciative of the contributions made by [Redacted]

25X1

[Redacted] Their technical competence and wholehearted cooperation were prime factors contributing to the successful installation. Although much remains to be done in the year ahead, I feel we are off to an encouraging start and want to thank you for your excellent direction.

I am looking forward to seeing you soon. With personal regards.

Sincerely,

25X1

[Redacted]

Director
Office of Computer Services
